PRESIDENT'S MESSAGE . . .

Let's see. What should I plant this year in my yard? Last year Mother Nature killed my impatiens, hydrangeas, and hostas. On second thought, maybe I planted them where they got too much sun, too much or not enough water. My orchids, including my cattleya, phalaenopsis, vanda, brassavola, oncidium and cymbidium, didn't do so well either. I better not miss the WWC May 9th luncheon. Bland Landscaping and Atlantic Avenue Orchid & Garden Center will be speaking. I hope to see you all there, but then again, maybe your gardening skills are better than mine.

We've started work on the Fall Fashion Show. We would love your help. Please contact Fabiola Mcguire, our chairman, at fracy@nc.rr.com or call her at 453-0265. We are expanding the scope of the show and need your help to make it bigger and better.

The 2007-2008 WWC Slate of Officers will be voted on at the May luncheon and also the revised SOPs and By-Laws. A few positions still need to be filled. Contact Nancy Shulby at shulbyfamily@aol.com or call her at 488-6105 with your nominations ASAP. Your WWC Board has done a fantastic job this year. Their names are listed to the left of this message. They volunteer their time, energy and enthusiasm every month in their jobs. I personally appreciate this group of women more than you know. Please take the time to thank them individually whenever you can.

The Spring Fling, May 18th, will be here before you know it. Bring your friends, bring your neighbors, bring your spouse (sorry no children). I'll see you there. Let's dance the night away in our sandals, jeans and short sleeves. Summer is about to begin.

Sincerely,
Marguerite

May 9th Luncheon Program

“Spring into Beautifying the Home”

Now that the clock is sprung forward and Spring is here, it's time to take a good look at the outsides of our homes to see what winter has done to the bushes, trees and plants.

Gail Ingram, one of our guest speakers, works for Bland Landscaping. Gail is a horticulturist, enhancement designer and certified landscape technician. She will show us how bushes and plants can enhance the curb appeal of the home.

Millie Lee, master of the orchids and co-owner of Atlantic Avenue Orchid & Garden Center on Atlantic Ave. will be our other guest speaker. She will take us through transplanting orchids, to explaining the many different types of orchids and how to take care of them.

Both speakers will help us transform, our dull lifeless gardens into a space where we will enjoy walking, sitting and entertaining our family and friends.
